

Olivia Sainz is awarded for the charitable person she is. Olivia is a self made woman who ventured out into the world to make a difference at a time when it was unheard of. Olivia is very active in many organizations and fundraisers. She sits on the adoption review board as well as being an active member of St. Rose of Lima Auxiliary, St. Vincent de Paul, Foster Care Board, Shriners, Methodist Day Care Advisory Board, Methodist Annual Fund Raiser, Task Force, Child Advocacy and an original member of the Pride of Safford. She has insight to many businesses that can help those less fortunate, and doesn't hesitate to put people in contact, making herself available at all hours. She volunteers at the school lunch program during the summer and she always finds time to sit with those who are ill. It is recalled that she spent many hours with an acquaintance during her final days and then made all the funeral arrangements as there were no family members to take care of the preparations. This is the kind of person you can find in Safford, she shows her pride in the community where she lives by representing it well. Thank you Ms. Sainz for being the caring person you are.
