

Virginia Rios – Virginia Rios is a hospice volunteer who gives her time, service and even personal money for supplies for hospice care patients and other patients at the Infinia Care Center. Virginia is also active in her church community arranging her schedule so that she can attend services with ill members and their families. She volunteers time, food and services to the American Legion and is also a member of the Mt. Graham Regional Medical Center Auxiliary. Virginia never refuses her services when asked and volunteers freely regardless of which city or neighborhood needs her. She is proud of the Gila Valley and Graham County and gives back “every day in every way.”
