

Tribute – Carl and Sharon Watson and Joe Goodman:

The City of Safford continues to be very blessed to have so many people and groups of people who dedicate their lives to helping and inspiring others to help each other to enhance the quality of life for everyone. It is the people who truly make the City of Safford a great place to live, work and visit. The group “Tribute” is a prime example of inspiration, dedication, talent, and volunteerism. They volunteer to share their great voices, musical talent, love of our country, and willingness to do whatever is necessary to help those in need through performing at the various celebrations we have within the City.

The members of the group do not restrict their services to performing patriotic songs; they also serve those in need through their faith community and their involvement in the Safford Lions Club. The special members of “Tribute” are: Carl Watson, Sharon Watson and Joe Goodman. Carl Watson is the outgoing Safford Lions Club President and the incoming Zone Chairman of the Lions Club International and his wife is the incoming President (only the second woman president in over 60 years) of the Safford Lions Club. Joe is the Lion Tamer and helps bring in money to help keep the club solvent.

There are many other services that Carl, Sharon, and Joe do to make this City such a great place to live work and visit, but the focus today is on their involvement with “Tribute.” The whole valley thanks “Tribute” for loving our country and sharing that love with all of us.
