

**Manuel & Dolores Bertoldo:**

The Bertoldos are one of the pioneer families of the Gila Valley. They currently are the successful business owners of the Mi Casa Tortilla Factory located in Safford.

The Bertoldos have generously donated their tortilla products for fundraising events for the community youth, to groups that minister to bereaved families and to other local events.

Dolores has been active in the Women's Auxiliary at the Mt. Graham Regional Medical Center.

Thank you Manuel and Dolores for all you do and for being the type of caring individuals, who make Safford a great place to live, work and visit.
