

CITY COUNCIL COMMUNICATION

TO: Mayor and Council
FROM: Jenny Howard, Utility Director
SUBJECT: AC Main Renewals, Materials Award, Project# 66-675
DATE: Monday, May 8th, 2017 at 6:00 p.m.

Purpose and Recommended Action: Discussion and Approval of the purchase of materials needed to construct the Phase I of the AC Main Renewals

Background: The AC Main Renewals Project was approved in the FY 16-17 budget as CIP No. WA1701. The Capital Budget amount is \$185,709. This phase of the renewals will complete one of four phases. This phase will replace a portion of the existing 12" AC mains, valves and fittings from 14th Avenue and Relation to Meadow Lane, a total of .4 miles of pipe will be replaced by in-house forces. The existing pipeline is 65 years old.

Analysis:

Our recommendation of award is Fortiline Waterworks, with the low bid price of 106,524.20.

<u>Bidder</u>	<u>Bid Amount</u>
Fortiline Waterworks	\$106,524.20
HD Supply Waterworks	\$109,860.45
Ferguson Waterworks	\$107,026.60
