This permit application is reviewed for completeness by the Planning and Community Development Department. Please review the application for required submittal documents and review procedures. If there are deficiencies in the permit application requirements, the applicant will be notified during the review process or upon completion of the initial review.

The review of this permit application will be based upon the City of Safford Municipal Code as well as all other associated Building Codes as adopted by the City of Safford, and any clarification on statutes, ordinances, codes or policy may be directed to the Planning and Community Development Department. The review of this application may take up to two to four weeks. Upon approval of this application, inspections may be required by the Planning and Community Development Department, Utility Department, Public Works Department, and/or Engineering Department and may be requested by the applicant at any time. By signing the permit, you are giving the City of Safford permission to conduct any and all inspections required. For questions or information concerning this application, please contact the Planning and Community Development Department at 928-432-4140.

If applicant wishes to appeal a denial of a permit, applicant may appeal to the City of Safford Board of Adjustments according to Section 17.88.030 of the City of Safford Municipal Code.
