PRIDE OF SAFFORD

EL PASO PARK UPDATE

The soccer fields at El Paso park have been regraded to remove silt build up and provide more water capacity for storms. Our Parks Department has adjusted the sprinkler systems and are in the process of reseeding the fields and installing two

backstops for the baseball and softball season.

DOWNTOWN VISION PLAN UPDATE

Our office correlated with the Safford Downtown Association, downtown business owners and partners, and community members to participate in a two-day vision planning activity with L.L. Consulting. Many good

ideas were brought forth during these meetings for future plans, projects, and improvements for downtown. A survey will be sent out to the business owners and community soon to ensure everyone has a chance to participate if they were unable to attend the vision planning meetings. This study is paid for by the Safford Downtown Association through a grant received from Freeport McMoRan Inc to update and provide a forward plan for Downtown.

BEST OF SAFFORD

Voting is happening now to determine the “Best of Safford 2017.” Winners will be announced at the Safford Downtown Association’s 13th Annual Luncheon at the Old Safford Theatre on Main Street on Thursday, March 29 from 12:00 – 1:00 p.m. Cast your vote for your favorites of Safford [here](#).
